

Ortec to Exhibit at Informex 2010 in San Francisco

January 12, 2010

Easley, SC – Ortec, Inc. will exhibit at the 2010 Informex trade show in San Francisco. The exhibition takes place at the Moscone Convention Center February 17th through the 19th. Informex is one of the world's premier trade shows serving the Fine, Specialty, and Custom Chemical Manufacturing business. The show is produced by UBM International Media in conjunction with SOCMA, and has been taking place for over 25 years.

Ortec will be located in space **1128**. Ortec encourages anyone who is interested in learning more about our company or discussing a particular project to come by the booth. To arrange a meeting at the show please contact either Jack Drawdy or Louis Steed at 864-859-1471.
